OBJECTIVE

- To work in the field of Programming.

ACADEMIC BACKGROUND

- High School (2022)

LANGUAGE

- Portuguese: Fluent
  English: Intermediate

EXPERIENCE

- Screen Network (2018 - 2019) - Software Developer:
  In this project, I was responsible for the administration part of Discord. I needed to create an application (Bot) that almost automatically managed the entire Discord, applying bans to those who broke certain rules, muting those who broke others, and so on.
